

JOB DESCRIPTION

Northern Piedmont Counseling PLLC ,established in 2014, has over 10 years of experience and presence in the Mooresville, Statesville and Gastonia communities. NPC is owned and operated by an LCMHC and LMFT with over 30 years of combined licensed experience. Our priority at NPC is in helping others and increasing access to mental health care.

Purpose of the Position: Mental Health Therapist will provide excellent services to individuals in an outpatient office setting.

Specific Duties

- Maintain weekly caseload of Individual and family clients. Minimum of 20 clients per week.
- Support policies and procedures of Northern Piedmont Counseling PLLC.
- Demonstrate administrative and ethical excellence in notes, files, reports, EMR, etc.

Skills, Education, Experience

- Minimum of a Master's Degree in Mental Health Counseling, Marriage and Family Therapy, Social Work.
- Current licensure in the state of North Carolina. LCMHC/A, LCSW/A, LMFT/A
- Strong written and verbal communication skills.
- Participation in continuing education opportunities as required for State License.
- Adherence to Service Definition 8c under NCDHHS.
- Experience in treatment planning and documenting comprehensive clinical assessments is a plus.

Qualities

- Understanding of the importance of mental health, therapy, and the confidential nature of our work.
- Ability to prioritize responsibilities required in a professional environment.
- Ability to be self-directed and show initiative.
- Maintain ethical documentation.
- Maintain all requirements for state licensure during time of employment.

At Northern Piedmont Counseling you will have your own office, support staff and intake coordinator to ensure your focus on your clients and professional growth.

*****Please note that this position is a contracted (1099) position. This position allows for flexibility of making your own schedule and great income potential while also having a quality of life. As helping practitioners we are invested in creating a work experience that is meaningful and positive. If you are motivated to apply, please take time to include your active license number on your resume or response to the application. This allows for a very quick and easy way to verify one of the most important credentials of this position.
